

Support for the Amendment

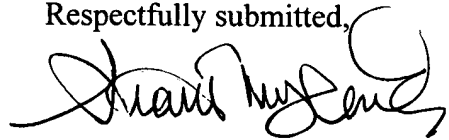

Support for the present amendment to the specification of this application is found in the application as originally filed Page 6, lines 1-3. No new matter was added to the application by virtue of the present amendment.

REMARKS

Replacement Drawings in accordance with the Draftspersons Notice mailed March 23, 2005 are submitted herewith. The present amendment to the specification was necessitated by the request of the Draftsperson to separate and label separately original Figure 2. No new matter has been added by virtue of the present amendment. Applicants submit that the application is now ready for issue and early notification to that effect will be greatly appreciated.
